## Network Bulletin #0001 – Provider Directory

Published Date: 11/6/2024

This is a reminder regarding the CMS Directory Audit conducted in May 2024 and the importance of maintaining accurate and up-to-date provider demographics. Ensuring the accuracy of information submitted to Verda Health Plan of Texas is essential for compliance and allows us to serve our members effectively.

As we approach the Annual Enrollment Period (AEP) from October 15th to December 7th, it is crucial that providers affiliated with your IPA are accurately represented in our network directory. Please encourage your providers to stay informed about Verda Health Plan of Texas as their affiliated health plan. This education is vital, especially as Verda is quickly becoming the number one plan of choice among Medicare beneficiaries in the Houston market. An accurate provider directory enhances member access to care and supports our mutual goals during this growth phase.

We appreciate your support in upholding these standards and ensuring a seamless experience for all Verda members. If you have any questions, please feel free to reach out Provider Services at 713-979-9625 or email [providerservices@verdahealthcare.com](mailto:providerservices@verdahealthcare.com).
